# MUSEUM MAT BOARD

## SPRING SALE

A good mat board will enhance a framing composition while protecting it. Maidstone Museum Mounting Board does that! Maidstone Museum Mounting Board is a solid-core 100% rag board which is acid-free, buffered with calcium carbonate and is scuff and fade resistant. Available in 2, 4 and 8 ply for your archival framing requirements

ITEM#	DESCRIPTION	NET SALE
*PM4872-4	White 48 x 72" 4 Ply	16.00
*MM60104W-4	White 60 x 104" 4 Ply	60.00

### CONSERVATION BOARD

A non-rag, acid-free mat board for all framing where museum mounting is not required. A solid core eliminates the problem of contrasting bevels. Maidstone buffered Conservation Board comes in 2 and 4 ply thicknesses.
