digital & photo papers

somerset enhanced

Somerset Enhanced is a beautiful artist paper designed for inkjet printing. The paper has an invisible coating on one side, which allows the creation of stunning prints with a wide colour gamut. Made from 100% cotton using a traditional mould machine, this is an authentic artist paper capable of producing outstanding results with a quality inkjet printer. This paper is made using quality materials to give an archival sheet and buffered with calcium carbonate to help protect prints against attack by atmosphere pollutants.

Somerset Enhanced is ideal for fine art reproduction and fine art photography, making prints look like original pieces of artwork.

Somerset Enhanced is available in 3 attractive surface finishes, in a fresh radiant white colour. They all have a distinctive grain, varying from Satin, which is the smoothest, followed by the extremely popular Velvet that contains slightly more tooth to its surface, and Textured, which is the roughest of the series.

enhanced satin

| Item # | Size | Weight | Pk | List/Pk. |
|---------------|--------------|--------|----|----------|
| SERWS8511-225 | 8.5 X 11" | 225gsm | 25 | 60.95 |

somerset photo satin

Somerset Photo is designed for use in the photographic and fine art markets. It is a surface coated product that is engineered to be compatible with all good quality inkjet printers.

Somerset Photo is made from 100% cotton, which contains a very high percentage of alpha cellulose, the purest form of cellulose. It is made on a traditional Mould Machine, using woollen felts to impart a delicate texture to the surface of the sheet. The resulting sheet has a high whiteness value, without resorting to excessive use of optical brightening agents.

The paper is buffered with calcium carbonate, giving the sheet archival properties that will aid in combating acid attack from airborne pollutants. Suitable for use with all good inkjet printers. For fade resistant prints, pigment inks are advised.

| Item # | Size | Weight | Pk | List/Pk. |
|---------------|--------------|--------|----|----------|
| SPBWS8511-300 | 8.5 X 11" | 300gsm | 20 | 71.70 |
| SPBWS1319-300 | 13 X 19" | 300gsm | 20 | 151.35 |
| SPBWS1623-300 | 16.5 X 23.4" | 300gsm | 20 | 268.05 |

| SPBWS6010-300 | 60" X 11yd | 300gsm | 1 | 555.00 |

bockingford inkjet

Bockingford Inkjet is the answer for artists who wish to create their own limited edition prints. Fantastic prints can be reproduced to look like the original, when using a quality inkjet printer. Artists familiar with the original Bockingford watercolour paper will recognise the same beautiful surface on Bockingford Inkjet. It is made in the same time-honoured fashion as Bockingford watercolour paper using a traditional mould machine. Unlike other artist inkjet papers, Bockingford Inkjet has an ink receptive coating on both sides of the sheet, allowing limited edition books and portfolios to be created. Made from 100% photographic woodpulp, of archival quality, 190gsm, 20 sheets per pack.

| Item # | Size | Weight | Pk | List/Pk. |
